INVITATION TO PARTICIPATE IN THE DEVELOPMENT OF OCCUPATIONAL STANDARDS FOR COMPETENCY BASED SKILLING & TRAINING (CBST)

Nyandarua National Polytechnic is a Public Technical Training Institution in Nyandarua County located 7 kilometers from Nyahururu town along Nyahururu – Gilgil Road and 37 kilometers from Ol Kalou town, the County Headquarters.

The Polytechnic has the mandate to develop, train, assess and certify curricula for competencies in various occupational areas.

As part of curriculum development process we are seeking to engage practicing industry experts as stakeholders to participate in developing Occupational Standards (OSs) in the following areas:

- 1) Automotive Technician
- 2) Welding and Fabrication
- 3) Electrical Technician
- 4) Solar PV Technician
- 5) Building Technology
- 6) Civil Technology
- 7) Water Technology/Plumbing
- 8) Agriculture Extension
- 9) Horticulture Processing
- 10) Horticulture production
- 11) Food Processing
- 12) Science Laboratory Technology
- 13) Supply Chain Management
- 14) Human Resource Management
- 15) ICT Technician
- 16) Hair Dressing
- 17) Beauty Therapy
- 18) Fashion & Design
- 19) Counselling Psychology
- 20) Chemical technology
- 21) Dairy Farm Management
- 22) Dairy Processing
- 23) Fire Fighter

As an industry expert you will be required to do among other duties;

- i) Identify relevant competencies that a worker is expected to demonstrate or perform in the job/occupation
- ii) Identify work activities that are critical in the occupation
- iii) Identify worker behavior and attitudes associated with the occupation
- iv) Define observable work activities that lead to a product or service
- v) Recommend relevant resources, materials and equipments for carrying out specific tasks

How to Apply

Interested industry experts who are competent in any of the above areas of specialization should apply by filling in a google form on: <https://forms.gle/C55QSwPEx7WHccgR9> or email the application to: nynp.ilo@gmail.com by 12th April 2023 at 5.00pm. Successful applicants would be engaged in the activity between 14th to 17th April 2023.
